

Klove Radio is extremely important in the lives of my family. We listen at home and at work all day. The positive lyrics my children sing along and the lessons shared from folks like Family counselor, Rev. James Dobson are extremely helpful. When we have been faced with times of difficulty, we have turned to their prayer line. I know people in our church who would not be where they are today if they had not reached out through KLOVE, who referred them to our local church when they were in crisis.
